Title: PERSONALISED CARD AND SYSTEM FOR DESIGNING SAME

Dear Sirs,

This patent application has been accepted on the above date. The official Notice of Acceptance is enclosed herewith.

We have arranged for the prescribed advertisement of the acceptance of the application, which is expected to appear, together with a printed abstract of the complete specification, in the official Patent Journal of the above advert date.

On publication of the advertisement in the Journal the patent is in law deemed to have been granted and sealed.

The patent office will issue the letters patent document after publication and we shall then forward this to you.

If, for any reason, such as the filing of a divisional application, or an amendment, or you do not desire the appearance of the printed abstract and the laying open to public inspection of your application on the date indicated, kindly let us know at least six weeks before the advert date. We shall then endeavour to arrange for withdrawal of acceptance, if possible, and delay of the advertisement and publication of the application.

Yours faithfully

HAHN & HAHN
